

# SHOREVIEW HISTORY

July, 1996

## Slice of Shoreview

Dates: July 26-28  
Place: Island Lake Park

Mark these dates on your Summer Activity calendar!!

Our biggest community event grows bigger every year, featuring a full carnival for 1996.

Once again, the Historical Society will be selling juice as a fund-raising project. We need volunteers to sell at our stand throughout this 3-day event. Volunteers will receive a FREE Shoreview Historical Society T-shirt. It's a great way to take in the Slice, see your neighbors, and be a part of this community celebration.

## Scholarship

Our \$500 scholarship was awarded to Heidi Kathleen Black, a senior at Mounds View High School. She will be attending Northwestern College in Roseville.

Please help our Historical Society invest in our youth by making a donation to our scholarship fund. Contact Doris Claeys at 484-2970 or send your contribution to Doris at 4957 Hanson Rd., Shoreview.

## July Meeting

Date: July 23  
Time: 6:00 PM  
Place: Long Lake Regional Park, New Brighton

Our 5th annual Pot-Luck picnic will be at the Long Lake Regional Park in New Brighton (the park is on the west side of Old Highway 8, north of Beisswingers and 694, south of 96). We will first meet at the New Brighton Historical Society's Depot which has been restored into a museum and located in the approximate center of the park. A tour of the depot will be given for our members (see attached copy of the New Brighton Historical Society's Depot brochure).

After our tour, we'll have our picnic. Please bring a dish to share - beverages, dishes, utensils will be provided.

## Future Programs

Do you have any ideas about programs you'd like to see at our quarterly meetings? Please give your ideas to Jacci Krebsbach, 483-2416.

## Historical Society Board

We still need new board members for our two vacancies. The board meets monthly to plan the Society's activities and fund-raising. This is a one-two year membership. If interested, please contact Doris Claeys at 484-2970.

## 100-Plus Years at Island Lake School

by *Ken Hoff*

On Friday, May 17, many former students from years past gathered to celebrate 100+ years of Island Lake School, formerly known as District 28 and Wilbur Lake School. In the years past, all of the schools were numbered but had common names such as Wilbur Lake, Snail Lake, Turtle Lake, Hill School, etc.

It was great seeing a lot of the students that had gone through the school over the years. Many photos and educational booklets of the time were displayed, and videos were presented. Also, Mr. Wicklund (Helen Wicklund was a teacher at the school for many years), turned over the brick from the old District 28 school that was torn down in 1976.

Some of the people represented were Mrs. Jensen, C. Delang, the Kurkowski's, the Nessen's, the Hoff's, Robert Bye, Mrs. Cardinal, the Johnson's and many others. It was wonderful seeing these people and memorabilia. Hopefully, even more will appear in the booklet that will be coming out in October.

Dignitaries from the State, Shoreview, and Mounds View were represented. Skits were put on by the Island Lake students and staff with high-lights of the past and future.

A time capsule was filled to be opened 100 years from now. It was a fun event to be a part of. To many of us, it was 100+ years, but to many more it will be the first year. Best wishes from all the past alumni.

## Membership

We need your membership dues for 1996. Please support your community by helping preserve its history! And encourage your friends and neighbors to join you. Fees are:

Family:	\$12
Adult:	\$10
Senior	\$8

Please send your check made out to Shoreview Historical Society to Shoreview Historical Society, c/o Doris Claeys, 4957 Hanson Rd., Shoreview 55126.
